High School Education

Shanghai High School International Division (SHSID) Sep 2023 - Jun 2027
Shanghai, China

- Ongoing Coursework: Multivariable Calculus; AP Chemistry; AP English Language and Composition; AP Physics 2; AP Psychology; Honor Chinese
- Main Academic Interests: Applied Mathematics, Optimization, Statistics, Mathematical Modeling, Mathematical Finance, Quantitative Social Science, Economics

Research and Academic Projects

Independent Researcher, An End-to-End Scoring Model for Chinese Calligraphy July 2025– present
Shanghai, China

- Built end-to-end Chinese calligraphy scorer using ResNet-18 based on 8000+ samples; published paper with utility patent pending
- Accepted in ACM UbiComp/ISWC '26 Companion Proceedings (Teenageer Show). DOI: 10.1145/3798063.3837840
- Introduced character and page layout evaluation for automated scoring
- Deployed the model as an interactive webcam-based application running locally on laptop for real-time feedback

Independent Researcher, Career Development Research for Rural Youth in Yunnan June 2025– present
Dali, Yunnan, China

- Designed and conducted a 5-page study on the impact of social media usage on middle school students in rural Yunnan
- Collected approximately 600 student surveys during summer fieldwork and analyzed results using SPSS and AMOS
- Explored how quantitative methods can be used to analyze student self-efficacy and career planning
- Conducted a career planning course based on the result

Financial Mathematics Researcher, Pioneer Academics Feb 2026– July 2026
Remote

- Explored interest in applied mathematics, statistics, and stock options under NYU's Professor Hesam Oveys
- Investigated impact of geopolitical risk in semiconductor stock return
- Built a Jump Diffusion model, allowing jump intensity to vary across four geopolitical-risk regimes
- Ran Monte Carlo simulations comparing six candidate models (GBM, static and GPR-conditioned Jump Diffusion, exponential-tail variants) against 32 years of historical returns

Theatre and Drama

Student Leader, Actor, and Director, EverTale Chinese Drama Club Sep 2022 – present
Shanghai, China

- Expanded nine years of acting into lead roles as director, main actor, lighting director, choreographer and scriptwriter
- Led production of the club's latest plays: *Hi, Mom; Charlotte without Worries;* and *Dream of the Red Chamber*
- Shifted from adaptations to originals; managed rehearsals and productions for two schoolwide performances annually

Lead Actor, La Mélodie Éternelle — SJTU & Shanghai Theatre Academy Joint Production Aug 2026 – present
Shanghai, China

- Selected as the only high school actor in a joint production between Shanghai Jiao Tong University and Shanghai Theatre Academy, performing alongside a cast of university faculty and adult performers
- Performed in two staged shows reaching a combined audience of 600+, with three additional performances scheduled
- Adapted to a professional rehearsal environment, refining character work under direction from faculties at China's leading theatre academy
- Shortlisted for French Embassy's Grand Prix France-Chine 2026

Lead Actor & Screenwriter, The Penitent — 48 Hour Film Project Oct 2026 – present
Shanghai, China

- Competed in the intensive film competition against 11 professional teams and the Vancouver Theater Academy Team.

- Developed screenplay for assigned food film genre, acted in crime-mystery drama, and completed filming and editing in 48 hours.
- Earned Best Youth Cinematography Award as part of the only high school team

Lead Actor and Movement Director, Math Drama Sep 2023 – Dec 2023 & Sep 2025 – Dec 2025
Shanghai, China
- Performed lead roles in two original dramas exploring history of the different Math Theorems and Mathematicians;
- Choreographed performances and directed 25 cast members engaging 400+ member audience in math concepts
- Co-hosted a math drama showcase at SHSID across 8 schools, including universities

Leadership Experiences

Founder and Leader, Urban Aid Alliance Apr 2024 – present
Shanghai, China and Yunnan, China
- Founded a student organization dedicated to addressing educational disparities for underserved youth in rural Yunnan
- Led virtual workshops and mentorship sessions, providing academic support to students in remote regions
- Organized community charity fairs, raising $10,000+ USD to purchase educational supplies for Yunnan children
- Coordinated annual summer service trips to Yunnan to deliver summer curriculum for Xishan students

Captain, SHSID Varsity Soccer Sep 2022 – present
Shanghai, China
- Selected for school's varsity team, balancing regular training and interschool matches throughout the seasons
- Lead team of 28 through practices and competitions, contributing to 2 league championships
- Strengthened leadership and discipline with an emphasis on building team culture and encouraging younger players

Founder, SHSID Integral Bee Dec 2025 – present
Shanghai, China
- Started MIT-style math trivia event, integrating a unique team round attracting students and teachers schoolwide
- Designed 60+ calculus, algebra, statistics & geometry questions; created fun event with 500+ attendees
- Became an annual school tradition event

Community Service

Class Monitor, SHSID Sep 2024 – present
Shanghai, China
- Assisted teachers as class monitor for seven courses: Homeroom, Chinese, AP Macro, AP Stats, AP Language, History, and Physics throughout 10th, 11th, and 12th grades
- Coordinated class communication, organized review materials and provided peer support before assessments

Pediatric Volunteer Team Leader, Jiahui International Hospital Aug 2024 – present
Shanghai, China
- Support 10 pediatric patients during monthly hospital visits; coordinate schedules, and trained 2 new volunteers

Founder and Director, Theatre Festival for the Blind Dec 2025 – Jan 2026
Shanghai, China
- Founded an interschool performance for 30 visually impaired audience members; adapted scripts, staging, and choreography for accessibility

Project Developer and Documentary Producer, Accessibility WeChat Mini-Program Project Sept 2025 – present
Shanghai, China
- Collaborated on a WeChat mini-program designed to improve access to information and services for people with disabilities; researched accessibility challenges and produced a documentary highlighting their experiences

Skills

Microsoft Office: Word, Power Point, Excel, Outlook
Techniques: Python; Java; C++; SPSS; AMOS; Survey Design; Quantitative Research
Languages: English (native); Mandarin (native)

Standardized Testing

SAT: 1570 Composite (Reading: 770; Math: 800)	Mar 2026
TOEFL iBT: 115 (R: 29; L: 29; S: 27; W: 30)	Jul 2025
AP Exams: Calculus BC (5); Calculus AB Subscore (5); Microeconomics (5)	May 2025
Statistics(5); Computer Science A(5); Physics 1(5); English Language and Composition(4)	May 2026
Physics CM(5); Macroeconomics(5)	
Ongoing AP Exams: AP United States Government and Politics; Physics C: Electricity and Magnetism	May 2027
Physics 2; Chemistry; Psychology	

Awards and Honors

AMC 10: Top 3 at SHSID; Distinguished Honor Roll	2024-2025
Euclid Mathematics Contest: Distinguished Honor Roll	2024-2025
ARML Regional Round: Top 100 Individual Ranking; Global Top 100 teams; National Team Silver	2024-2025
ARML Power Round I: National Gold	2024-2025
Social Activity Award (Three-time award winner), SHSID	2024-2026
AMC 12B: 127.5; Distinguished Honor Roll; Top 1 at SHSID	2025-2026
AIME: 9 points	2025-2026
ARML Power Round II: National Silver	2025-2026
Shanghai High School Mathematics Application Competition: First Prize	2025-2026
High School Mathematical Contest in Modeling (HiMCM): Meritorious Prize (Top 13-14%)	2025-2026
Yangtze River Delta (YRD) Youth InnovFest: First Prize (10%)	2025-2026
Shanghai Adolescents Science and Technology Innovation Contest: Third Prize	2025-2026
Canadian Senior Mathematics Contest: Distinguished Honor Roll	2025-2026
48 Hour Film Project: Best Youth Cinematography Award	2026-2027
